

**WASHINGTON COUNTY  
COMMUNITY DEVELOPMENT PROGRAM  
HOUSEHOLD SURVEY**

The County of Washington, in cooperation with your municipal officials, has under consideration a community development project to be financed with Federal Community Development Block Grant funds that will serve your residence. By providing the requested information, you will help the County in determining the eligibility of the proposed project.

Each household should indicate the number of persons living in the residence and whether your **total household income** exceeds or falls below the listed figure for the size of your household. A **household** means all the persons who occupy a housing unit.
